**TRUSTEE'S NOTICE OF CLAIMS FILED AND INTENT TO MAKE DISTRIBUTIONS**

TO THE DEBTOR AND DEBTOR'S ATTORNEY OF RECORD: JOYCE J. UEHARA, ESQ.

The time for creditors to file timely proofs of claim has expired. Attached is a schedule of claims that have been filed in your case. This is being provided for informational purposes only and no representation is made that the claims are accurate in classification or amount. Pursuant to the Guidelines for Chapter 13 Procedures, the debtor and the debtor's attorney have a duty to examine the claims and to file an objection to the allowance of any improper claim.

Distributions under the plan will be made according to the classification and amount of claims as stated in the attached schedule, subject to a claim being amended, withdrawn, disallowed, or reclassified. Actual distributions are also subject to court determinations on valuation of collateral, avoidance of liens, stipulations allowing late-filed claims, and allowance of attorney fees. A creditor not filing a claim will not receive distributions under the plan.

An objection to a claim shall be filed and served not later than 30 days after the date of this notice, and set for hearing on the next date available for hearing Chapter 13 matters, in order to suspend payment on the claim pending a determination on the objection. If the objection is overruled, the court may provide for payment of any dividends not paid while the objection was pending. An objection may be filed later than 30 days after the service of this notice, but payments on the claim will continue, pending a determination on the objection.

**CERTIFICATE OF SERVICE**

Trustee also certifies that a copy of this notice was served on the Office of the United States Trustee and the persons below by the court's electronic transmission facilities (ECF) or first class mail.
